

Community Outreach Meeting – Saturday, January 27, 2024

Re: Water Main Repair on Diablo Grande Parkway

Dear Diablo Grande Resident:

Tonight's meeting is to discuss and answer questions about the Water Main Repair or any Water District matters or concerns in general. This is not an official Board meeting where matters have an agenda that will be voted on. Under CA law the full Board cannot be attendance as we are limited to 2 Board members for this outreach meeting. Thank you for your understanding.

Regards,
