

This May 20, 2025 presentation provided to the residents of Diablo Grande is for information purposes on the history and current status of Diablo Grande and the Western Hills Water District. It is not intended to be used for actual contract negotiations or any other legal purposes. Data indicated are unaudited estimates.

Update

- Suspension of Water – KCWA Update – Waiting for outcome of rate study?
- There was a renegotiated contract with KCWA
- Governors' Office – Asked them to connect us with DWR and SWRCB
- State Water Resources Control Board – Has not replied
- Department of Water Resources – Has not replied
- County of Stanislaus – Ongoing meetings. Supervisors Condit and Withrow
- Assemblymember Alanis – Still reaching out to DWR and SWRCB
- Patterson Irrigation District - Stalled
- City of Patterson – In discussions to enjoin our KCWA contract – Very early stages

WHWD Revenues – An Example

602 Water Connections.

If the average yearly water bill is \$300 per month

$$\$300 \times 602 \times 12 \text{ Months} = \$2,167,000$$

Yearly Average Kern Bill = \$1.7M - Not Being Paid

Yearly Average City of Patterson Sewer = \$638K - Not Being Paid
